A. S. Barnstead, Esq.,

Halifax, N.S.

Dear Mr. Barnstead:

I must thank you very sincerely for sending me the telegram with regard to Professor Lejoux, which I was glad to receive on Saturday morning. I have just got another telegram from Professor Lejoux from Montreal. He expects to arrive here to-morrow.

Our Professors have raised a fund to bring him out and keep him here for a year. He has had rather an interesting excerience, having fought at Liege, at Antwerp and on the Yser.

With kind regards, I am,

Yours sincerely,

President.
